

Future Opportunities in Antimicrobial Stewardship through Diagnostic Innovations

May 10, 2024 to July 31, 2024

Learners can claim Continuing Education credit via this activity evaluation until August 15, 2024. MAD-ID will send credits for pharmacy learners to CE Monitor within four weeks of submission. Learners claiming *AMA PRA Category 1 Credits™* can expect to receive PDF certificates via email in a similar timeframe. Please reach out to info@mad-id.org with any questions or specific requests.

The types of CE available for “Future Opportunities in Antimicrobial Stewardship through Diagnostic Innovations” include:

- **Continuing Pharmacy Education:** MAD-ID is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education. This enduring activity has been approved for maximum of 1.25 contact hours. The ACPE Universal Activity Number (UAN) assigned to the CE activity for confirmed learners is: 0485-9999-24-001-H01-P
- **Continuing Medical Education:** This enduring activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME). MAD-ID is accredited by the ACCME to provide continuing medical education (CME) for physicians. MAD-ID designates this enduring activity for a maximum of 1.25 *AMA PRA Category 1 Credits™*. Learners should claim only the credit commensurate with the extent of their participation in the activity.
- **Nurse Practitioner and Registered Nurse Education:** For recertification, the American Academy of Nurse Practitioners Certification Board and American Nurses Credentialing Center also accept *AMA PRA Category 1 Credit™* issued by organizations accredited by the ACCME. We would also suggest that learners check with their state licensing board to ensure they accept reciprocity with *AMA PRA Category 1 Credit™* for re-licensure.
